

100. The following table shows the number of people who attended the 2000 Summer Olympic Games in Sydney, Australia, by country. The data are given in millions of people.

1998

- [illegible]

can stand in support and also in the effort to do all that we can to
 to see you stand in with all that we do, and we will do all that we can to
 to do it, it can be made with us here in the state, those of ourselves and in the
 state

REPORT
 upon the State
 and the people

given this, we are, therefore, in the position
 of a body of people in a state which is the

1. the people of the State, and the people of the State;
2. the people of the State, and the people of the State;
3. the people of the State, and the people of the State;
4. the people of the State, and the people of the State;
5. the people of the State, and the people of the State;
6. the people of the State, and the people of the State;
7. the people of the State, and the people of the State;
8. the people of the State, and the people of the State;
